

PRESS RELEASE

5-hour ENERGY® presented by Kenda Racing Team Heads to China

GAINESVILLE, GEORGIA (July 1, 2014) — The 5-hour ENERGY® presented by Kenda Racing Team is headed to China to contest the Tour of Qinghai Lake, July 6-19. The nine-rider squad to compete in the UCI 2.HC race will include Michael Woods, who finished a strong fourth at the Global Relay Canadian Road Championships.

The men's field shattered early under numerous attacks in the Canadian Championships road race on June 28. The aftermath was one-rider breakaway and an ever dwindling chase group which included Woods. He put in a few accelerations of his own to further reduce the number to three riders as they neared the end of the grueling 179-km race. Ultimately, Woods came in fourth place in the three-man sprint for second place.

Congratulations go out to Bobby Sweeting and his wife who welcomed a baby girl, Tyler Elizabeth to their family. Recovering from a broken collarbone, he is back to training on the road as of June 30 and will be ready for the Tour of Alberta.

Held in Qinghai Province, China since 2002, the Tour of Qinghai Lake is part of the UCI Asia Tour. The event will cover 2200 kilometers over 13 stages that will once again take riders to the neighboring province of Gansu and to the Ningxia Hui Autonomous Region. An added challenge will be the altitude with forays of over 4,000 meters for one of the highest events in the world. Organizers have invited 22 teams to compete in the 13th edition of the race.

Roster for Tour of Qinghai Lake:

- Sam Bassetti (Santa Rosa, Calif.)
- Chad Beyer (Tucson, Ariz.)
